Application for a Garden Plot

I, _____, hereby apply for a garden plot.
(Please print)

I understand my name will be placed on a waiting list. The receipt date of this signed application will be the waiting list date, which will be used to determine the order of the list. First come, first served.

When a plot becomes available, I understand ***I will be notified with a Gardener Contract form, and that I will have two (2) weeks to return the signed contract with payment.***

The fee for a 40 square-foot plot (10 ft. x 4 ft.) is \$60.00. Rising costs of water, wood, supplies for repairs, and soil products have increased the annual plot cost, forcing us to increase the annual fee.

YES **NO**

I would be interested in a tall, raised garden plot (if available) to accommodate my special needs

I qualify for a free plot as indicated by this guideline:
Household of five – annual income below \$51,800.
Household of four – annual income below \$47,950.
Household of three – annual income below \$43,200.
Household of two – annual income below \$38,400
Single person – annual income below \$33,600.

I have read the Garden Policies and feel I would make a good candidate to be a part of the community of gardeners in the Estes Valley Community Garden.
